# APPLICATIONS

## XTREME

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout.

# KEY CHARACTERISTICS

ANTI FLAMMABLE

ABRASION

COLD CRACK RESISTANCE

# FLAMESAFE

A low emission product

## Anti-Flammable

Xtreme passes Flammability test which is used to determine the burn resistance capabilities of materials used in the occupant compartments of motor vehicles.

This test is typically performed on materials in passenger cars, trucks, and buses. The purpose of this standard test is to reduce the deaths and injuries to motor vehicle occupants caused by vehicle fires.

# TURTLE LIFE

A longevity product

## Cold Crack Resistance

Xtreme passes the requirement of the cold-crack resistance and is an excellent material with no cracks.

## Abrasion

Depicts resistance power against damage due to abrasion.  
ASTM D4157  
20,000 rubs

# COLOR PALETTE

Graphite PN: XTR-614

Forest Green PN: XTR-613

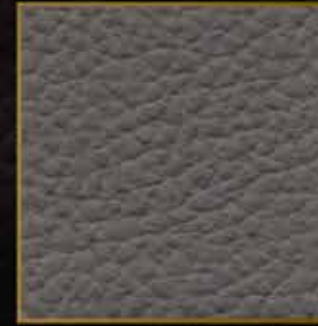

Royal Blue PN: XTR-612
